### EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Cheryl Agris on November 21, 2005.

Claims 1 and 8 were canceled.

Claims 2-4 were changed to depend from claim 5.

On line 2 of claim 4, the phrase "said mature oocyte" was changed to --a mature oocyte--.

On line 7 of claim 5, the phrase --based upon a predetermined threshold level of the matrix metalloproteinase-9-- was inserted after the phrase "in vitro fertilization-embryo transfer". On line 9 of claim 5, the phrase "a predetermined threshold level" was changed to --the predetermined threshold level--.

2. The following is an examiner's statement of reasons for allowance: Application serial no. 10/652,116 is being allowed since none of the prior art of record teaches or fairly suggests a method for predicting whether implantation of a fertilized oocyte from a human female subject will result in pregnancy in a female subject following assisted reproductive technology comprising the steps of measuring the activity of matrix metalloproteinase-9 in follicular fluid obtained from a female subject, comparing the measured activity of matrix metalloproteinase-9 with a predetermined threshold level for matrix metalloproteinase-9, predicting the probability of

establishing pregnancy by in vitro fertilization-embryo transfer based upon the comparison, and fertilizing oocytes from the female subject if her measured level of matrix metalloproteinase-9 is above the predetermined threshold level.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
